

2111478-1 | 48P 2U C6 STNDRD CMLNT ASSY

RJ45 Modular Patch Panel Assembly, Category 6, unshielded, 2U, 48 ports, black

Body Features

Color Black

Configuration Features

Custom Configurable No
Front Connector Type RJ45
Number of Rear Connectors 48
Preloaded No
Rear Connector Type RJ45

Dimensions

Rack Width 482.60 mm | 19.00 in

Mechanical Attachment

Mounting Style Rack-Mount

Product Type Features

Product Type Panel Assembly
Panel Type Patch Panel
Rack Units 2
Cable Type UTP
Performance Category Category 6
Shielded No

Signal Characteristics

Ethernet Speed 1 Gb/s

Regulatory Compliance/Certifications

Agency
RoHS 2011/65/EU

Classification
Compliant
